It's not even
break season,
but you're
sneaking
away every
morning just
to talk about
your very
sister.

Although you get angry
everytime you meet
her, you should not

Yes

It's because of a violent
person who told the truth
embarrassed someone else
they know who was telling
them, right?

I want
to know a
truth

Answer

It's not because
someone who is that
very much can tell
anybody's secrets that
tell others. People
have their own

It's time.

Later, after you really
feel how the truth
tortures your body,
start to realize what
was wrong.

I know why you're
here, but you can't stay here
because I got you.

I am sorry.

What's that?
Why did you ride the train?
Because you were afraid
of being stared by others
due to a fact that the cause
of death was your
self control?

PERMANENCE OF ME
IT WAS BECAUSE I WAS
AFRAID OF BEING STARED

THAT THE CAUSE OF DEATH

There's great something
I was looking at
It was not something
I found the most. I was

how common the phrase is

It's natural

Don't let me

Just think you like you are. It
is good time to spend the
whole time you think you can
see some people like that?

If it wasn't Hu Soo,
I wouldn't have come here
from Japan just to apologise
and sympathise the like of you!

There, there,
you're not your
self!

Oh, Hu Soo!

It's alright.
They're gone.

By seeing that
I'd done, I know
what you mean.

You accepted

I got into school with friends.
But after you appeared,
he changed that.
That does show me

There would really be a chance to

Yeah,
I was taken to Hironaka's
room. He has not actually
taken Shizuko. And he won't
roll her up together.

It's quite weird!

I have a
question

Why do you like me?

I wish I told you that
you are always right
Why did you say that you
knew when you were not
for only 'how much'?

That's

That's because I can
sing

WAT?

MY MOTHER TOLD ME

WHENEVER SOMEONE
LIKES I WILL SEE WINGS
GROWING OUT OF THE
SCAPULAE
AT FIRST, I THOUGHT IT WAS
COMPLETELY A JOKE

WHEN I SAW YOU FOR
THE FIRST TIME
I THOUGHT I WOULD BE AS A
TOLD YOU WOULD BE YOUR
BROTHER

Is it really there
as I thought?

Of course!

I see you
don't like him.

Is better than
being that close at first sight

I don't know...

You are really strange.

There have always been many women around me.

Oh, well I did thought you
were a playboy like father
and that you weren't going
out with any one
I thought for a while that you
and I'd still be in the chance
to stay close yet

Your devotion toward
Shi Himeji is not something
I understand

Then, perhaps if you
are doing things more than
your sister
that is so

You are a girl

I seriously suck
up to you.
I said you had to
teach me!

I was surprised
because the boy
said that the girl
the middle girl
that said my she doesn't
want to be a girl
I feel that it is all right

What are you doing?
You are not trying this
even when she said she loves
Shi Uo, is?

Shi Uo? I
it is only natural that
a sister loves her
brother and vice versa

I cannot leaving
you're a brother

Oh... Oh Hyuna?

Isn't your getting
tough?
I mean...uh...are
my real brother

100

"You're not the
one who's most family
like you?"

TELL
ME

She's not
the only
one who
feels like
she's not
the one

OK ET OK ET

I thought it was strange
From my understanding
(Oh, those were the only
daughter's new 'fans'!)
I thought you were a rebel or
something. But indeed...

What?
How did you...?

Someone please
tell me
I've decided what
I've decided and
nothing is not
wrong

Good morning

I am really
sorry

It's not your
fault

Goodbye

I must be wrong

This was
expected to
happen

Yes,
and making yourself
look good
if you are well served,
get up to
what this hell are you
saying?

Really?

2 years ago

This means you
like me, because
I brought you to
school, right?

That is where
I met the two
other kids.
